

Senior Ambassador Program

Overview

Thank you for your interest in Olivia Clare Photography, LLC. I am excited to announce that this year I will be expanding my Senior Ambassador Program to accommodate 10 2021 Seniors. Due to unforeseen global events, this year's program will be slightly different. Due to Social Distancing there will not be a group session this spring. However, we will still be doing a themed one on one mini session in the Spring along with a regular session in the Summer, fall or winter (Ambassador choice.) The first session in the spring will last around 30-45 minutes at one location with one outfit with 30 edited images. The second session will last 90 minutes with up to 4 outfit changes and 75 edited images.

Specifications

Senior Ambassadors are asked to post a Senior Sunday photo to their social media accounts, tagging, hash tagging as an Olivia Clare Photography Ambassador at least one time per month.

Requirements

Ambassadors must be a 2021 graduating Senior and must fill out an application to be considered. **Ambassadors are allotted both sessions with a total cost of: \$550 (\$700 value)**
